**Describing symptoms**

My arm itches  
 I have a headache  
 I have got a fever  
 I have a sore throat  
 I have an earache  
 I have a toothache  
 I have a bad cough

**Medications**

I sometimes take pills  
 My doctor gave me a shot.  
 I have a medicine prescription

**Key word to give and request information**

You don't look very well  
 Are you feeling okay?  
 What's the matter?  
 What do you happen?  
 Is everything okay?  
 Why don't you go to the doctor?

No, not really  
 I'm not feeling well . . .  
 I have a/an . . .  
 I'm sorry to hear that  
 I think so

Look at this picture. From this image we can write a conversation. Observe

<p>A. You don't look very well. Are you feeling okay?          B. No, no really. I'm not feeling very well          A. What's the matter?          B. I have a terrible backache          A. Why don't you go to the doctor?          B. I think so. I'm going to call for an appointment, now.          A. Okay, see you and don't forget to call          B. Yes, I will do it.</p>
